Mike Stephens

Trail User - Appointed by the Governor

Senior Vice President, Commercial Banking

United Southern Bank

2701 S. Bay Street

Eustis, FL 32726

(352) 483-5899

MIKE.STEPHENS@unitedsouthernbank.com

Michael A. (Mike) Stephens is a Florida native and lifetime resident of Lake County. He holds a Bachelor of Business Administration degree from Stetson University and has worked in the financial services industry in Florida for over 34 years. Mr. Stephens is currently a Senior Vice President of Commercial Banking and a Senior Lender for United Southern Bank, a local Community Bank, and has been with them for the past 18 years helping clients with all their Commercial Banking needs.

Mike has been an unofficial bike trail advocate since elementary school, riding his bike to school daily in the 70's. After enjoying several decades of competitive and recreational mountain biking, gravel biking, and trail riding, he helped form and became Chairman of the Lake 100 Trails Committee and The Friends of Lake County Trails in 2019. In this role he advocated for regional paved multi-purpose trails within Lake County. He was awarded the Florida Bicycle Association's Trails Promoter of the Year Award in 2020, the Lake 100 President's Award in 2020 for Leadership and Dedication to Trails in Lake County, and

the Eustis Area Chamber of Commerce's 2020 Community Service Award for Leadership advocating for Lake County Trails. Mike has also previously served on the Lake Sumter MPO Bicycle Pedestrian Advisory Committee and Citizens Advisory Committee, as well as the Lake County Parks and Trails Advisory Board.

Mike has a long history of volunteering in his community, including being a 30+ year member of Kiwanis and serving as an Officer and Board member of several local business and community organizations, including as a lifetime member of the Ocala Mountain Bike Association, volunteering for the Office of Greenways and Trails on the Cross Florida Greenway, and the US Forest Service on the Ocala National Forest.

He has been married to his wife Carla for 30 years and they have two beautiful daughters that also enjoy cycling and mountain biking together. In addition to cycling around the Southeast, Mike and his family also enjoy camping, fishing, boating, and road trips.

Scott was born in New Jersey and came to Florida in 2002 for college at Florida Gulf Coast University where he studied Philosophy and Legal Studies. Currently a resident of Southwest Florida, Scott enjoys walking, jogging and biking around the area both for exercise and pleasure. Whether biking to the local ice-cream shop or gearing up for races, Scott enjoys all things biking and looks forward to expanding multimodal infrastructure across the state.

Stephanie Wardein

Private Land Owner - Appointed by the Governor

System Director, Community Affairs

Lee Health

4211 Metro Parkway, Suite 300

Fort Myers, Florida 33916

(239) 343-8377

stephanie.wardein@leehealth.org

Stephanie Wardein is the System Director of Community Affairs at Lee Health in Southwest Florida where she is responsible for all community relations activities, community health strategies, outreach, education, and collaboration with other community organizations to develop working solutions to address local health-related needs. Her responsibilities also include developing and expanding relationships with community leaders and supporting Lee Health's ongoing community benefit activities and reporting.

Wardein has been with Lee Health since 2012, serving in various roles on community projects including Community Health Visioning 2017, now known as Healthy Lee, to improve the health status of Lee County residents. The collaborative community leader effort guides research and outreach efforts for community health. Many of the projects have received top tier recognition including the NOVA Award from American Hospital Association, the Gage Award from America's Essential Hospitals, the Community Benefit Award from Florida Hospital Association, and the first Unite Award from our local United Way and Southwest Florida Community Foundation. Results in Lee County include a 29% reduction in deaths from both heart disease and from stroke, 15% reduction in adult obesity, 34% reduction in childhood obesity, 22% increase in those who meet physical activity recommendations.

Wardein is the current Chair of Tobacco Free Florida – Lee County; Chair of the American Heart Association Chairman's Board of Directors; member of the LARC (Lee Association for Remarkable Citizens) Board of Directors; member of the SWFL Economic Development Advisory Committee; Co-Chair, Lee County Action Team with SWFL FutureMakers; member of the Ave Maria University School of Nursing Advisory Committee, member of the School Advisory Committee at Babcock Neighborhood School; and an active community volunteer.

In 2018, she was named one of Southwest Florida's "40 under 40" by Gulfshore Business magazine. She earned a Bachelor of Arts degree in Liberal Arts – Theology from Franciscan University and a master's degree in Theological Studies from the Institute for Pastoral Theology at Madonna University and earned Lean Six Sigma Advanced Yellow Belt Certification from the Florida Sterling Council.

Wardein is passionate about equitable health care and collaborating for impact. She is committed to fostering the Lee Health mission of being a trusted partner, empowering healthier lives through care and compassion. When she is not at work, Wardein enjoys spending time with her husband and six children, ages 14, 12, 11, 8, 3 & 2.

Jason Lauritsen

Greenway User - Appointed by the President of the Senate

Executive Director

Florida Wildlife Corridor Coalition

260 1st Ave S, Suite 200 #221

St. Petersburg, FL 33701

239.229.8170 (cell)

jason@floridawildlifecorridor.org

Jason Lauritsen implements the vision and mission of the organization to connect, protect and restore essential conservation habitat statewide. Jason’s expertise includes environmental conservation and restoration, land management science, wetland protection, and Wood Stork recovery in the Western Everglades. He is an experienced speaker, educator, and writer who has authored numerous papers, publications, and presentations throughout his more than 20-year career in conservation and natural resources management.

Lauritsen has served on the Estero Bay Agency for Bay Management, SWFL Watershed Council, Wood Stork Monitoring and Recovery Group and the Lee County Density Reduction/Groundwater Resource Advisory Committee. At the crossroads of science and policy, Jason developed tools and refined regulatory approaches to improve impact assessment and mitigation for wetlands and listed species for State and Federal agencies. He has provided consultation to agencies and private land owners on preserve design and configuration to maximize local and landscape level benefits to wildlife. In 2016, he served as a delegate to China on a U.S. Fish and Wildlife Service (USFWS) exchange program to share expertise in wetland restoration and mitigation.

Lauritsen has a Master’s in Science Education from the University of Iowa and a Bachelor’s in Animal Ecology from Iowa State University. He worked as a rainforest guide in Ecuador in 1992. In 2001, he joined Audubon at the Corkscrew Swamp Sanctuary as the Natural Resources Manager and prescribed burn boss. Continuing his career with Audubon, he became the Big Cypress Ecosystem Science Coordinator in 2005 before being promoted to Assistant Sanctuary Director in 2007 and Sanctuary Director in 2012 where he led the crown jewel of Audubon’s Sanctuary network until December of 2018.

Lauritsen is committed to landscape level conservation and long planning horizons to achieve sustainability. He advocates the pursuit of a deep science-based understanding of our complex and often fragile ecosystem that undergirds the quality of life for both people and wildlife. If future generations are to enjoy the beauty and diversity of a healthy natural world, Jason believes it will require broad stakeholder support and partnerships that are central to effective land stewardship.

Wesley Stalnaker

Greenway User - Appointed by the President of the Senate

12612 US Hwy 301

Dade City, FL 33525

(352) 647-2700

Wstalnaker3232@gmail.com

Wesley Stalnaker was appointed to the Florida Greenways and Trails Council in 2021 and is ecstatic to be a member of the group. As a Florida Native, Wesley developed a passion for the outdoors early on, enjoying activities that the state has to offer such as hunting, fishing, kayaking, and swimming in the breathtaking springs. Upon attending Santa Fe College in Gainesville, Wesley began to take advantage of the several trails and nature parks that Alachua County has to offer. His experiences in Alachua County piqued his interest in a new activity he hadn't considered previously and enhanced his appreciation for the state's nature and wildlife. Now, he is constantly trying to explore new parks and trails across the state of Florida.

PARKS SMALL

FL Department of Environmental Protection

Assistant Director, Division of Recreation and Parks

3900 Commonwealth Blvd., MS 525 Tallahassee, FL 32399-3000

(850) 245-3084

Parks.Small@dep.state.fl.us

A lifelong love of the outdoors, fostered by early hunting and fishing trips with his father, has led Parks Small to a 29-year career (so far) with the Florida Park Service.

Parks has devoted his life to the conservation of natural resources and teaching others how to manage and appreciate the outdoors. His work has spanned sea turtle, Florida Scrub-jay, and grasshopper sparrow research, neo-tropical migrant banding and conservation, habitat restoration and management, non-native plant and animal control, and wildland fire management.

Since joining the Florida Park Service in 1993, Parks has served as a biologist, park manager, fire program manager, chief of the Bureau of Natural and Cultural Resources and, currently, as Assistant Director. In this role, he focuses on

natural and cultural resources, long-term planning for state parks, and Florida's greenways and trails. He believes in strong teams and has had the pleasure of working with and learning from many great resource and recreational leaders. He is incredibly proud of the outdoor opportunities the staff of the Florida Park Service offers visitors every day and of the natural and cultural resources staff protect.

Parks enjoys a wide range of outdoor recreation and loves to share in these experiences with his family and friends. In his off time, he assists his wife, Christine, who manages the Florida State Park volunteer program, with managing their Missouri farm which dates back in Christine's family to 1883. Parks is also an avid competitive shooter. Most of all, Parks is tremendously proud of his daughter who will enter the U.S. Army upon her college graduation in 2023.

Jerrie Lindsey is the Director of the Florida Fish and Wildlife Conservation Commission's Office of Recreation Services where she is responsible for developing wildlife viewing-related recreation opportunities on Florida's wildlife management area system and facilitating wildlife-viewing tourism on public lands statewide. During her career, Ms. Lindsey has worked in environmental education and recreation programs for the Legislature, Florida Department of Natural Resources, and the Florida Recreation and Park Association. Her professional interests focus on developing recreational learning experiences that lead participants to take positive actions for fish and wildlife habitat. She is an avid paddler and enjoys hiking and birding.

Robin Birdsong

FL Department of Transportation

Statewide Coordinator, Shared Use Non-motorized (SUN) Trail Program

605 Suwannee Street, MS 19 Tallahassee, FL 32399-0450

(850) 414-4922

Robin.Birdsong@dot.state.fl.us

Robin joined the Florida Department of Transportation (FDOT) team in August 2015 as the Trail Program Manager for the Shared-Use Nonmotorized (SUN) Trail Program. In this capacity, she works with stakeholders to implement the SUN Trail Program and further FDOT's mission. SUN Trail projects will improve the intermodal connectors by closing gaps in the statewide paved trail system to increase the reliability of Florida's transportation system.

Previously, Robin worked for 11 years as a Regional Trail Coordinator with the Florida Department of Environmental Protection's (FDEP) Office of Greenways and Trails. For approximately a year, she worked as Florida's Recreational Trails Program Coordinator in DEP's Office of Operations. Prior to joining the FDEP she worked with the Florida Department of State. She has extensive experience in team collaboration and advocacy. She moved to Tallahassee from Virginia to attend Florida State University. In her spare time, Robin enjoys exploring cultural and historical sites, bicycling, hiking, and relaxing at the beach with her husband.

Jim Couillard, PLA, ASLA – (Vice-Chair)

Local Government: Marion County Parks and Recreation

Director

111 SE 25th Avenue, Ocala, FL 34471

(352) 671-8560

(352) 207-0586

James.Couillard@marioncountyfl.org

Jim Couillard serves as Director of the Marion County Parks and Recreation Department and is the county's landscape architect overseeing the management of 50 unique parks and trailheads. Marion County covers 1,652 square miles, with 36% of the county classified as Conservation (380,621 acres). It is home of the Cross Florida Greenway, state forests, water management lands, and the largest portion of the Ocala National Forest.

Jim has a robust vision for outdoor recreation with a goal of making Marion County the ecotourism hub of the southeast through partnerships with federal, state, and local land managing agencies and the private sector. Jim works closely with FDEP and FDOT in a joint effort to close gaps and find ideal alignments for shared-use trails in Marion County as part of the state-wide paved trail vision. Jim's experience with these agencies and his park design expertise will be beneficial to the Greenways and Trails Council. When he is not working, Jim enjoys spending time with his family, long distance backpacking, camping, fishing, and watching his son play baseball.
