

Florida Coastal Management Program Annual Meeting May 16-17, 2018

Edge Hotel - 505 South Gulfview Blvd. - Clearwater Beach, Florida

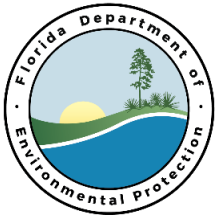

DAY 1, WEDNESDAY, MAY 16

- 8:00-8:30a.m. **Arrival/Registration/Informational Tables**
- 8:30a.m. **Welcome/Introductions** - George Cretokos, Mayor, City of Clearwater
- Opening Remarks** - Noah Valenstein, Secretary, Florida Department of Environmental Protection (DEP)
- Coastal Zone Management Act: National Priorities and State Opportunities** - Joelle Gore, Chief of Stewardship Division, Office for Coastal Management, National Oceanic and Atmospheric Administration (NOAA)
- Florida Coastal Management Program** - Becky Prado, Deputy Director, Florida Coastal Office, DEP

PLANNING RESILIENT COMMUNITIES

- 9:30a.m. **Florida Resilient Coastlines Program*** - Kevin Claridge, Director, Florida Coastal Office, DEP
- Community Resiliency Initiative: Planning for Sea Level Rise*** - Dr. Barbara Lenczewski, Florida Department of Economic Opportunity
- The Tampa Bay Regional Resiliency Coalition** - Janet Long, Commissioner, Pinellas County and Chair, Tampa Bay Regional Planning Council
- 10:20-10:50 a.m. **Morning Professional Exchange Break and Informational Tables**
- Coastal Vulnerability Assessment and Adaptation Plan*** - Kyle Brotherton, City of Clearwater
- Watershed Project Implementation in the City of Clearwater** - Elliot Shoberg and Sarah Kessler, City of Clearwater
- Best Practices for Assessing Coastal Vulnerability: Projects Assisting Collier County and Fort Myers Beach*** - Dr. Michael Savarese and Dr. Felix Jose, Florida Gulf Coast University
- Facilitating Sea-Level Rise Preparedness for Collier County, Its Municipalities, and Its Public Lands** - Penny Taylor, Commissioner, Collier County, Linda Penniman, Council Member, City of Naples, Dr. Michael Savarese, Florida Gulf Coast University
- Pinellas County Sea Level Rise and Storm Surge Vulnerability Assessment** - Christopher Moore, Pinellas County
- 12:05-1:35p.m. **Lunch Break**

**Project supported with funding from the Florida Coastal Management Program*

DAY 1, WEDNESDAY, MAY 16 (continued)

Climate Change Vulnerability Assessment and Adaptation Plan – Stevie Freeman-Montes, City of Sarasota

Vulnerability Assessment, Resiliency Planning, and Climate Adaptation in Florida's West Coast Estuaries of National Significance – Jennifer Hecker, Executive Director, Charlotte Harbor National Estuary Program, Ed Sherwood, Executive Director, Tampa Bay Estuary Program and Darcy Young, Public Outreach Manager, Sarasota Bay Estuary Program

The Cost of Doing Nothing: Economic Impacts of Sea Level Rise in the Tampa Bay Area – Randy Deshazo, Tampa Bay Regional Planning Council

Peril of Flood Workshops and the Local Government Guide to Understanding the 2015 Peril of Flood Act* – Brady Smith, Tampa Bay Regional Planning Council

Pinellas County Comprehensive Floodplain Management Program – Lisa Foster, Pinellas County

3:05-3:15 p.m. **Afternoon Breakout Sessions Overview**

3:15-3:45 p.m. **Afternoon Professional Exchange Break and Informational Tables**

CONCURRENT BREAKOUT SESSIONS

3:45-5:30p.m. **Coastal Partnership Initiative Grant Support:**

- General Information Table- *Toni Clanton, DEP*
- Local Government Table- *Dr. Stephanie Molloy, City of Naples*
- Evaluators Table- *Deena Woodward, Florida Department of State*
- 306A Checklist Table - *Bill O'Beirne, NOAA*

Tools Café:

- The Nature Conservancy - Coastal Resilience 2.0 - *Joseph Bauer, DEP*
- NOAA - Coastal Flood Exposure Mapper – *Heidi Stiller, NOAA*
- University of Florida GeoPlan Center - Sea Level Scenario Sketch Planning Tool - *Crystal Goodison, University of Florida*
- Gulf TREE (Tools for Resilience Exploration Engine) – *Mikaela Heming, Northern Gulf of Mexico Sentinel Site Cooperative/Dauphin Island Sea Lab*
- USF Water Institute – The Water Atlas and Water-CAT – *Dr. Shawn Landry and Jan Allyn, University of South Florida*
- Florida Department of Environmental Protection - Map Direct/Coastal Access Guide* - *Mitra Sartipi, DEP*
- Florida Geological Survey – Geology, Geomorphology, and Coastal Resilience –*Dr. Christopher Williams, Florida Geological Survey*

309 Strategies Feedback Table and Marine Debris Lessons Learned - *Ann Lazar, DEP and Stacey Roberts, Atkins*

- Please complete the 309 Feedback Survey online at <http://www.surveygizmo.com/s3/3550321/309-Feedback-Survey>

*Project supported with funding from the Florida Coastal Management Program

Florida Coastal Management Program Annual Meeting

May 16-17, 2018

Edge Hotel - 505 South Gulfview Blvd. - Clearwater Beach, Florida

DAY 2, THURSDAY, MAY 17

- 8:00-8:30a.m. **Arrival/Registration/Informational Tables**
- 8:30a.m. **Welcoming Remarks** - Drew Bartlett, Deputy Secretary, Florida Department of Environmental Protection (DEP)

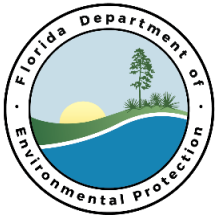

HURRICANE PREPAREDNESS AND RECOVERY

- 8:40a.m. **Storm Inundation Modeling for Tampa Bay and Beyond** - Marshall Flynn, Tampa Bay Regional Planning Council
- Hillsborough MPO Surface Transportation Resiliency Planning** - Allison Yeh, Hillsborough County Metropolitan Planning Organization and J. Wilson Lorenz, Florida Transportation Engineering, Inc.
- Hurricane Recovery: Preparing for the Next Storm** - Benjamin Alexander, Unified Federal Review Coordinator, Federal Emergency Management Agency
- U.S. Coastal Research Program Storm Processes and Impacts Workshop** - Mary Cialone, U.S. Army Corps of Engineers
- Coordinated Response to Remove Derelict Vessels in Florida Post Hurricane Irma** - Stephen Wernkli, Florida Keys National Marine Sanctuary and Charles Grisafi, Office of Response and Restoration, National Oceanic and Atmospheric Administration

- Disaster Recovery Program Overview Florida Community Development Block Grant - Disaster Recovery (CDBG-DR)** - Jacob Durrance, Florida Department of Economic Opportunity
- 10:45-11:15 a.m. **Morning Professional Exchange Break and Informational Tables**

RESTORATION AND GREEN INFRASTRUCTURE

- 11:15a.m. **Identification and Characterization of Stressed Mangroves in Tampa Bay*** - Dr. Kara Radabaugh, Florida Fish and Wildlife Conservation Commission
- The Rock Ponds Ecosystem Restoration Project - A True Mosaic of Habitats for Tampa Bay** - Dr. Brandt F. Henningsen and Nancy T. Norton, Southwest Florida Water Management District

**Project supported with funding from the Florida Coastal Management Program*

DAY 2, THURSDAY, MAY 17 (continued)

Volunteer Oyster Habitat Monitoring: Utilizing Citizen Scientists for Long-term Oyster Habitat Monitoring* - Liz Donley, Charlotte Harbor National Estuary Program

Hernando County Oyster and Marsh Grass Habitat Restoration* - Brittany Hall-Scharf, UF/IFAS Extension, Hernando County

12:15-1:30p.m. Lunch Break

Planning, Implementation, and Adaptive Management for Restoration of Former Agricultural Lands at Perico Preserve in Coastal Southwest Florida* - Damon Moore, Manatee County

Restoring Oyster Reefs in Naples Bay* - Dr. Stephanie Molloy, City of Naples

Sanibel Dune Habitat Restoration Project, Summer 2015* - Holly Milbrandt, City of Sanibel

Coastal Upland Restoration at Little Bayou Preserve, St. Petersburg, FL* - Barbara Stalbird, City of St. Petersburg

2:30-2:40p.m. Wrap up and organize for site visits

CONCURRENT SITE VISIT OPTIONS

2:40-5:00p.m. City of Clearwater Stormwater Management Tour - Elliot Shoberg, City of Clearwater
Tour of the Rock Ponds Ecosystem Restoration Project - Dr. Brandt F. Henningsen and Nancy T. Norton, Southwest Florida Water Management District

**Project supported with funding from the Florida Coastal Management Program*

Florida Coastal Management Program Annual Meeting

May 16-17, 2018

Edge Hotel - 505 South Gulfview Blvd. - Clearwater Beach, Florida

Informational Tables

309 Strategies Feedback/309 Strategies - *Ann Lazar and Cheryl Clark, DEP*

Beach Flags and Signage/Clean and Resilient Marina Program - *Toni Clanton, Brenda Leonard & Pamela Grainger, DEP*

Florida Resilient Coastlines Program - *DEP staff*

Marine Debris - *Stacey Roberts, Atkins*

SW Region Aquatic Preserves & Aquatic Preserve Society - *Heather Stafford, Florida Coastal Office, DEP*

NOAA Office for Coastal Management - *NOAA staff*

Federal Emergency Management Agency - *Benjamin Alexander, FEMA*

Florida Floodplain Managers Association - *Steve Boehning, Florida Floodplain Managers Association*

National Estuaries Programs - *Jennifer Hecker, Charlotte Harbor National Estuary Program, Kathleen Hill, Administrative-Communications Director, Indian River Lagoon National Estuary Program, Ed Sherwood, Executive Director, Tampa Bay Estuary Program, and Darcy Young, Public Outreach Manager, Sarasota Bay Estuary Program*

Tampa Bay Regional Planning Council - *Tampa Bay Regional Planning Council staff*

Pinellas County - *Lisa Foster, Pinellas County*
