

## 11th Annual Southeast Florida Coral Reef Cleanup

In partnership with the Southeast Florida Coral Reef Initiative and the Florida Department of Environmental Protection's Coral Reef Conservation Program

Help keep Florida's reefs healthy and beautiful by joining our reef cleanups happening all over Southeast Florida this summer! There are two ways to participate:

- 1. Join one of the participating dive charter companies for an underwater reef cleanup. You will receive cool giveaways as a thank you for helping.
- 2. Hold a do-it-yourself cleanup by downloading the Ocean Conservancy's Clean Swell app and heading out to your favorite beach, waterway or reef. Report all cleanup data under the SEAFAN group name on the app.

Prices vary depending on location and dive gear needed. Please contact the dive shop directly for pricing details.

<ul> <li>MARTIN COUNTY Treasure Coast Waterway Cleanup</li> <li>Participate on cleanup day July 23 from 8 a.m. to 12:30 p.m. or sign up for a virtual cleanup during cleanup week.</li> </ul>	20 South Florida Diving HeadquartersCheck-in:7:30 a.m.; Departure: 8:30 a.m. Location:Location:101 N. Riverside Drive, Suite 111, Pompano BeachRegister:Call 954-783-2299 to request reef cleanup dive.
