PROJECT: Del Oro Stormwater Treatment Facility

CONTACT:

Terry Finch
Environmental Program Supervisor
City of Clearwater
Post Office Box 4748
Clearwater, FL 34618-4748
(813) 462-6597

FCMP FUNDING AMOUNT:\$50,000

DESCRIPTION: Funds were used to meet water quality treatment requirements set by the state, develop wetland enhancements (in the form of a stormwater treatment pond), remove nuisance vegetation, and create other park amenities desired by local residents consistent with the Comprehensive Plan requirements within the Del Oro Subdivision.

PROJECT: Land Acquisition Plan For Beach Access Sites

CONTACT:

Terrence R. Moore
Administrative Assistant for Growth
City of Deerfield Beach
150 NE 2nd Avenue
Deerfield Beach, FL 33441-3598
(954) 480-4212

FCMP FUNDING AMOUNT: \$14,293

DESCRIPTION: This project developed a strategic plan for beachfront land acquisition which set forth the mechanisms and action programs the City will use in order to secure the remaining beachfront properties in the area.

PROJECT: Volusia County Beach Access Management

CONTACT:

Timothy B. Cunningham
Environmental Project coordinator
Volusia County Beach Department
4400 South Beach Street
Daytona Beach, FL 32114
(904) 239-6414

FCMP FUNDING AMOUNT: \$15,400

DESCRIPTION: A beach parking plan was developed to comply with the Volusia county comprehensive plan. The plan specified the acquisition and development of property to provide vehicle parking and public access to Volusia County beaches. A geographic information system was used to evaluate various location-specific data, including sea turtle nesting sites, to determine optimal public access sites.

PROJECT: State of Florida Estuaries Issue Paper

CONTACT:

Gary S. Kleppel, Professor
NOVA Southeastern University Oceanographic Center
8000 North Ocean Drive
Dania, FL 33004
(954)920-1978

FCMP FUNDING AMOUNT: \$6,500

DESCRIPTION: At the request of the Governor's Coastal Advisory Committee, a report was completed which analyzed issues, status, and trends concerning water use in Florida.

PROJECT: Model For A Waterfronts Partnership In Florida

CONTACT:

Patricia M. Metzger
Senior Research Associate
FAU/FIU Joint Center for Environmental and Urban Problems
2200 SE 2nd Avenue Suite 709
Ft. Lauderdale, FL 33301
(954) 355-5255

FCMP FUNDING AMOUNT: \$64,996

DESCRIPTION: The Joint Center for Environmental and Urban Problems, with assistance from the FCMP, moved the Waterfronts Partnership initiative from its initial planning stages (FY 95-96). The outcome of this project developed specific models for state-local partnerships to revitalize working waterfronts, completed and agenda of technical and financial assistance needs for each type of waterfront, and recommended methods to implement these models.

PROJECT: Areas of Critical State Concern (ACSC) Implementation

CONTACT:

Cherie Trainor
Senior Management Analyst I
Department of Community Affairs
2555 Shumard Oak Boulevard
Tallahassee, FL 32399-2100
(850) 488-2356

FCMP FUNDING AMOUNT: \$130,000

DESCRIPTION: This project ensured the review of state agency rules for consistency in designated Areas of Critical State Concern. The project focused on preparing a memorandum of understanding between the Department of Community Affairs and the Department of Environmental Protection, identifying specific rules to change and establishing a time line for completion. Interagency committees were established to determine what changes were necessary to the identified rules.

PROJECT: Cumulative And Secondary Impacts

CONTACT:

Timothy Mayer
Environmental Specialist III
Department of Health
1317 Winewood Boulevard
Tallahassee, FL 32399-0700
(850)488-4070

FCMP FUNDING AMOUNT: \$76,320

DESCRIPTION: The problem of nutrient enrichment of the nearshore waters of the Florida Keys National Marine Sanctuary was addressed by the demonstration of alternative onsite sewage treatment and disposal system technologies with the potential to reduce nutrient loading from effluent discharge. This project continued the monitoring and analysis performed in earlier subgrant periods.

PROJECT: Coastal Nonpoint Source Pollution

CONTACT:

David R. Worley
Environmental Specialist III
Department of Environmental Protection
2600 Blair Stone Road
Tallahassee, FL 32399-2400
(850) 921-9919461

FCMP FUNDING AMOUNT: \$250,000

DESCRIPTION: The Florida Department of environmental Protection, acting as the state's water quality and lead non-point source management agency, worked to improve the implementation of watershed management plans in targeted coastal areas. Guidance and assistance was specifically directed toward agriculture and marina "best management practices" implementation
