In summary, the statute specifies the organizational requirements, operational parameters, duties of a CSO to support the Department of Environmental Protection (Department), or individual units of the Department, use of Department property, audit requirements, public records requirements, and authorizes public-private partnerships to enhance lands managed by the Department.

**Brief Description of the CSO's Mission:** Friends of Our Florida Reefs (FOFR) is a registered 501c3 nonprofit citizen support organization dedicated to conserving and protecting over 100 miles of vital coral reefs (directly offshore SE Florida between Miami-Dade and Martin Counties) by enhancing and complementing the critical efforts, programs and activities of the Florida Department of Environmental Protection's Coral Reef Conservation Program (FDEP CRCP).

**Brief Description of the CSO's Results Obtained:** 2019 marked FOFR's 4<sup>th</sup> full year as a CSO for the FDEP CRCP and its regional partners, expanding its Board of Directors to 9 individuals and raising over \$12,000. As in previous years, FOFR participated jointly with the FDEP CRCP or separately at multiple education & outreach special events in the Tri-County, while also working year-round to promote activities and learning opportunities via our public website and social media platforms. FOFR continued to help the FDEP CRCP facilitate meetings (e.g. SEFCRI) and enhance the on-going SEAFAN.net BleachWatch coral bleaching/disease monitoring program by helping facilitate and/or fund summer classes workshops that included an in-water training of volunteer BleachWatch instructors. Additionally, FOFR helped to coordinate and promote the Summer 2019 annual SE FL reef clean-ups. With FDEP CRCP request and guidance, FOFR was able to rapidly assist Nova Southeastern University's Halmos College of Natural Science and Oceanography coral spawning program by significantly funding and finding match funds for specialized lab equipment to facilitate the spawning of corals rescued from the disease outbreak front.

**Brief Description of the CSO's Plans for Next Three Fiscal Years:** FOFR's plans for the next 3 fiscal years include continue to support FDEP CRCP programs as needed including BleachWatch and reef cleanups. FOFR commits to maintaining significant unrestricted funds available for FDEP CRCP should a rapid response need occur. FOFR also commits to promoting the coral program by attending outreach events and giving presentations. FOFR will also seek new and novel ways fundraise and to promote FDEP CRCP's mission and presence in the community.
