Clean Waterways Act Stormwater Rule Adoption Hearing Agenda

This is a Rule Adoption Hearing convened by the Department of Environmental Protection (DEP). This Hearing is established to provide public input to DEP and Florida's water management districts (WMDs) related to a Notice of Proposed Rule for updating stormwater design and operation regulations under Part IV, Chapter 373, Florida Statutes, including design and performance criteria that increase the removal of nutrients from stormwater discharges. The Notice of Proposed Rule on the above subject matter was published in the Florida Administrative Register on February 24, 2023, (Vol. 49, No. 38), and is available online at:

https://www.flrules.org/Gateway/View_notice.asp?id=26866883

The Rule Adoption Hearing is open to the public. The DEP is hosting this public hearing via webinar and in person at 2600 Blair Stone Road, Room 609, Tallahassee, FL 32399. Interested parties should register for the webinar at the following link:
