

- A successful and respected program with established processes and procedures for the identification, evaluation and acquisition of conservation lands.
- Lands purchased through Florida Forever are now enjoyed as state parks, state forests, state wildlife management areas, or as local park and conservation areas.
- We appreciate our conservation partners, the landowners that are such good stewards of the land and the leadership that supports us!

78 purchase transactions = 46,248 acres/\$105,961,674 for FY 2020-2021 *
