

MAKING THE MOST OF NATIONAL PARK AND RECREATION MONTH

JULY 12, 2023 | 10:00 AM ET

July is National Park & Recreation Month! Hear from the Florida Recreation and Park Association about ways your city, park, nonprofit, etc. can celebrate. They will also be sharing about their "It Starts in Parks" initiative along with opportunities and resources they offer to recreation professionals across Florida. Afterwards, hear from Palm Beach County and the City of Port Orange for a local perspective on how they make the most of Park and Recreation Month in their communities.
