Suwannee River

- 1** Semi-Primitive Group Camp - Replace portable toilets with a permanent restroom and improve parking area.
- 2** Hickory Campground - Relocate campground. Create trailhead here to connect north and south trail systems.
- 3** Magnolia Campground - Replace the bathhouse in Magnolia Loop 2. Connect the campground to the Levy County sewer system.
- 4** Spring Head Day Use Area - Replace and relocate the existing restroom/concession structure. Bring sidewalks into ADA compliance. Redesign the spring run access area. Remove spring run retaining wall and re-naturalize the shoreline. Add interpretation focused on first magnitude spring and Suwannee River.
- 5** Suwannee River Access - Maintain the spring run boardwalk and perform routine decking replacements.
- 6** Parkwide Trail System - Make trailhead more formalized (6a) and add directional signage at springhead (6b). Expand trail system into the newly acquired Alachua parcel once restoration has been performed and natural communities mapped (6c).
- 7** Catfish Hotel and Sue Sink - Reduce impact to sinkholes by limiting visitor access.
