Overview of the 2023 Cycle 1 Florida Forever Project Proposals

The Acquisition and Restoration Council (ARC) received seven new project proposals for the Florida Forever 2023 Cycle 1: Avalon Phase II, Carter-Quail Ranch, Creek Ranch, Floyd’s Mound, Owen Creek Highlands, Quail Creek Ranch, and Williamson Cattle Company. On December 9, 2022, ARC voted to move all seven proposals on for more detailed review.

Section 259.07, Florida Statutes, requires ARC to hold public meetings to take testimony on new Florida Forever proposals “in such areas of the state where the major portions of such land are situated.” ARC will take the required public testimony on these proposals as well as other existing Florida Forever projects.
