Public Meeting Agenda Onsite Sewage Treatment and Disposal Systems (OSTDS) Technical Advisory Committee Meeting 4

This is the fourth meeting of the Onsite Sewage Treatment and Disposal Systems Technical Advisory Committee (OSTDS TAC) convened by the Department of Environmental Protection (DEP). The Clean Waterways Act, Chapter 2020-150, Laws of Florida, directed DEP to create an OSTDS TAC that will provide recommendations to the Governor and Legislature by Jan. 1, 2022, related to requirements for the physical location of OSTDS and the marketplace availability and use of associated Enhanced Nutrient Reducing (ENR) technology. The OSTDS TAC's recommendations will guide the department's future rulemaking activities.

The OSTDS TAC meetings are open to the public. Interested parties can attend in person or participate virtually.
