

Celebrate Florida Biking Month!

To celebrate Florida Biking Month, we'll hear from Lisa M. Lake, Executive Director of Bike Florida. She will provide an overview of the many rides, tours and awareness raising events they lead throughout the state, including tours on the renowned Florida Coast-to-Coast Trail from St. Petersburg to Titusville. Bike Florida was founded in 1992 to help Florida communities expand their bicycle awareness, education and infrastructure through bicycle tourism.
