

PRP POST FOR AGENCY TERM CONTRACTORS

Issue 4

October 3, 2017

RECENT SUCCESS REPORTS

The modification to the ATC Selection Process and Contractor Selection Formula will be effective October 6, 2017. The updated work assignment process is available on the webpage http://www.dep.state.fl.us/waste/categories/pcp/pages/selection_RCI.htm.

PRP issued amendments for signature to be returned no later than October 10, 2017. The amendment revises timeframes to pay subcontractors to 30 working days. In addition to two other minor revisions, the amendment will also standardize the submittal of rate increase request to require all ATCs to submit in February each year.

Petroleum Cleanup is our Priority

Sharing Information with Our Contractors

- ◆ If you mobilize 4 hours and work 10 hours, the PRP does not require the ATC to drive back home that night due to safety concerns. PRP allows per diem, due to a long drive and the field notes must support the 14 hour work day.
- ◆ To request an electronic version of a Professional Land Survey (PLS), ask your site manager first. Then you can email Twilla.Barteld@dep.state.fl.us to request a search in our archive for a copy. The subject of the email should be PLS Request for Facility ID #. Ms. Barteld will reply to the email and attach an electronic copy if available or with notification that no PLS was located.
- ◆ RAC/O&M/SR Tips and PRP Contracts Tips are useful tools to speed up processing of Purchase Orders and Requests for Change. These documents are available to you on the Templates page in the Helpful Documents and Tips section at <http://www.dep.state.fl.us/waste/categories/pcp/pages/templates.htm>.
- ◆ Contractor Signatures on Requests for Changes under the Agency Term Contracts are required; however, we will accept any electronic form of signature, as the official change happens when the updated PO is issued through MFMP.
- ◆ Do not delete your ATC address in MFMP as this will cancel all the active Purchase Orders and invoices cannot be paid on these.

Peace cannot be kept by force; it can only be achieved by understanding. ~Albert Einstein

EVENTS

PRP will soon be having another Remediation Equipment auction. Watch for details on the PRP announcement webpage.
