- Orange Grove Sink

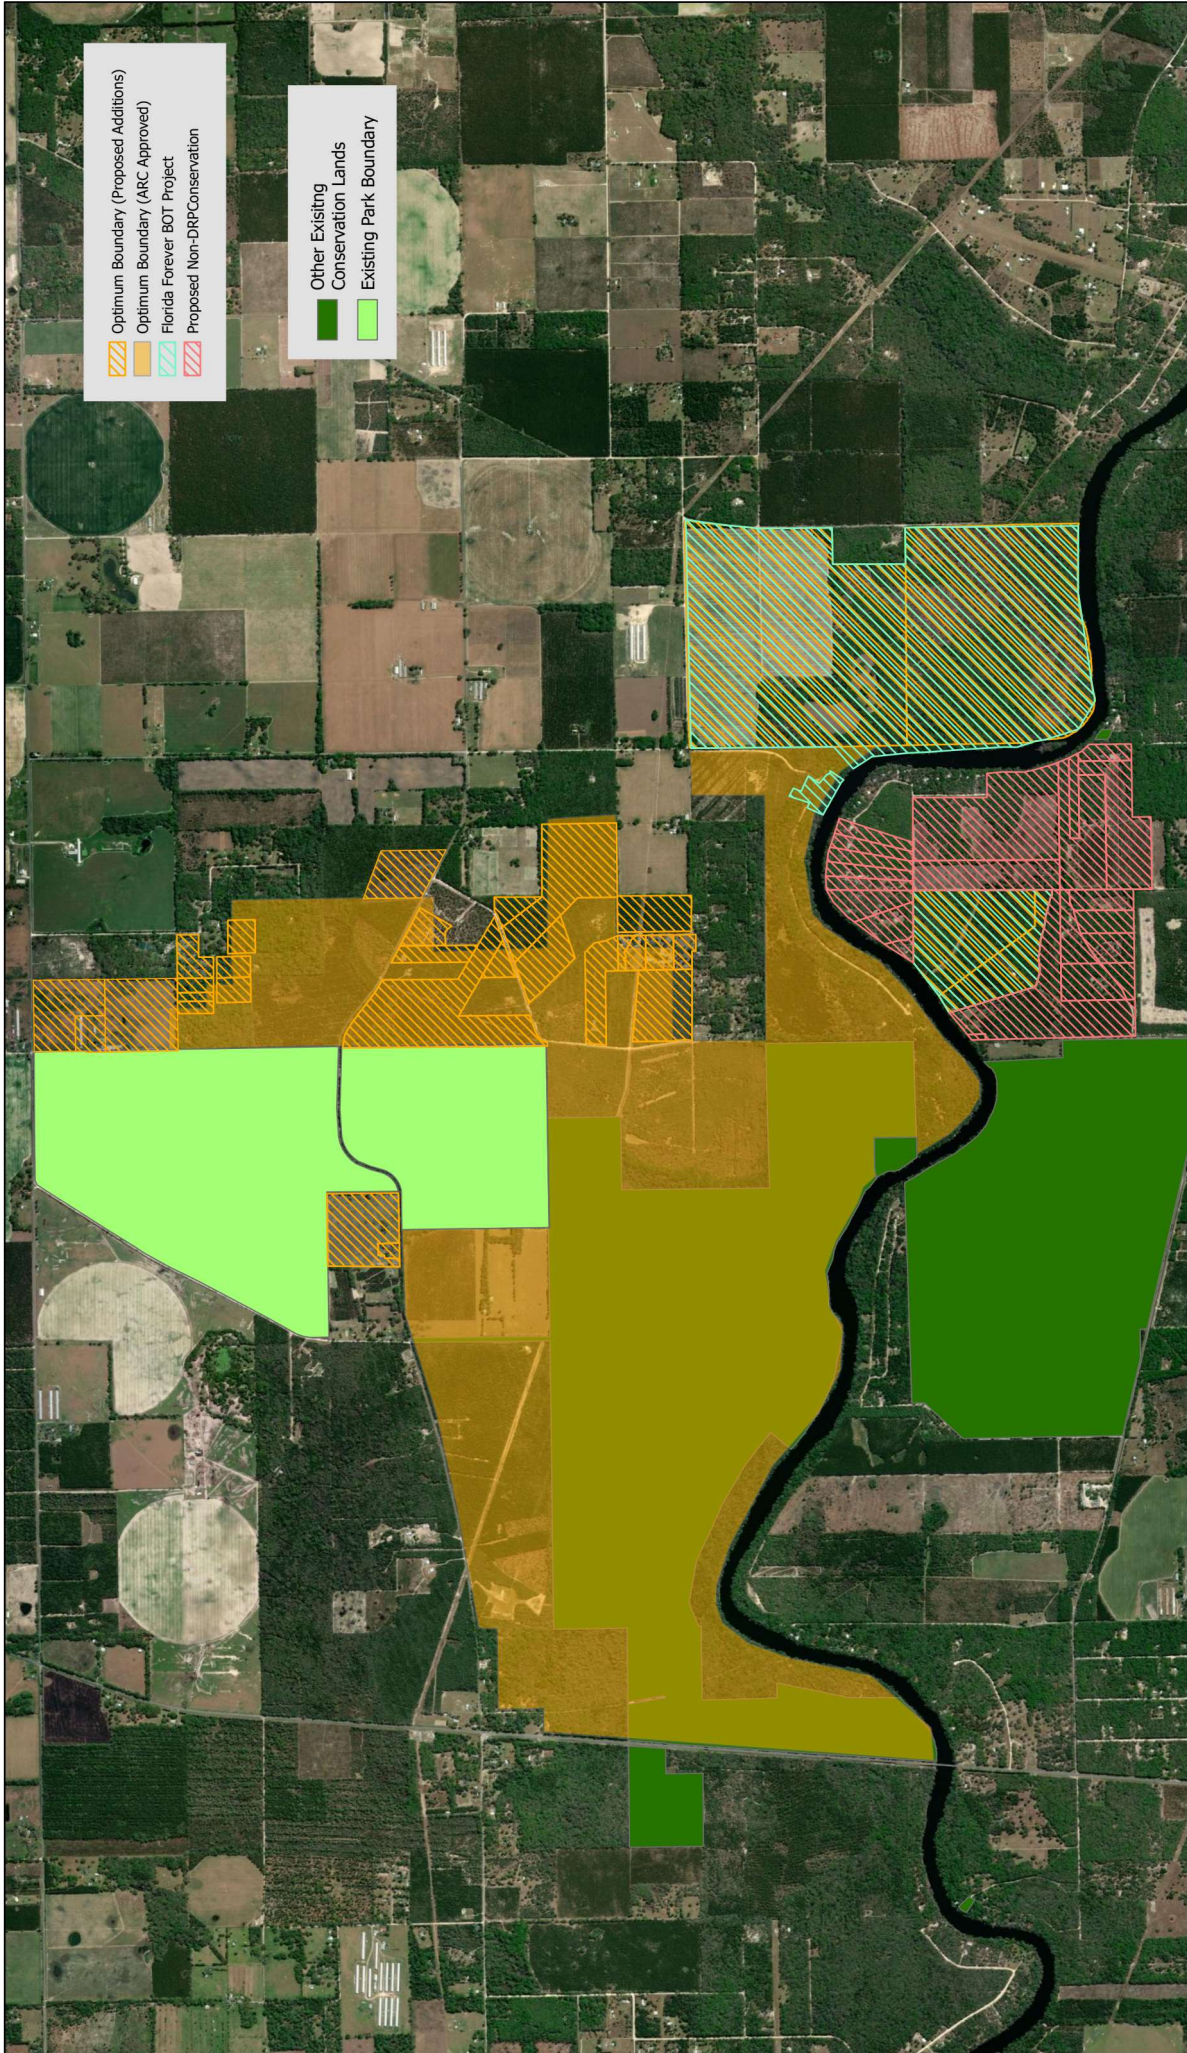

- 1 **Orange Grove Sink** - Maintain stairs and boardwalk leading into the sink, and replace within existing footprint as necessary. Update interpretation at kiosks
- 2 **Olsen Sink** - Conduct assessment of platform to ensure structural integrity to the resource.
- 3 **Peacock I** - Replace boardwalk leading to spring as necessary and update interpretation along nature trail
- 4 **Peacock II** - Consider the addition of a small picnic pavilion on a natural surface
- 5 **Support Area** - Add one volunteer site, new administration building and two bay shop.
- 6 **North Tract** - Complete fencing along northern border. Develop plans for hiking trails once restoration is complete.
