

Florida, let's recycle right

Pilot Program

Do's and Don'ts

Tips and reminders for a successful recycling program.

Recycling Tips

1. Bag all shredded paper.
2. Make sure paper and paperboard products are clean and dry.
3. Remove plastic and metal binding from spiral notebooks.
4. Empty all liquids from plastic bottles and metal cans.
5. Clean out all food scraps from tin cans and plastic containers.
6. When in doubt throw it out!

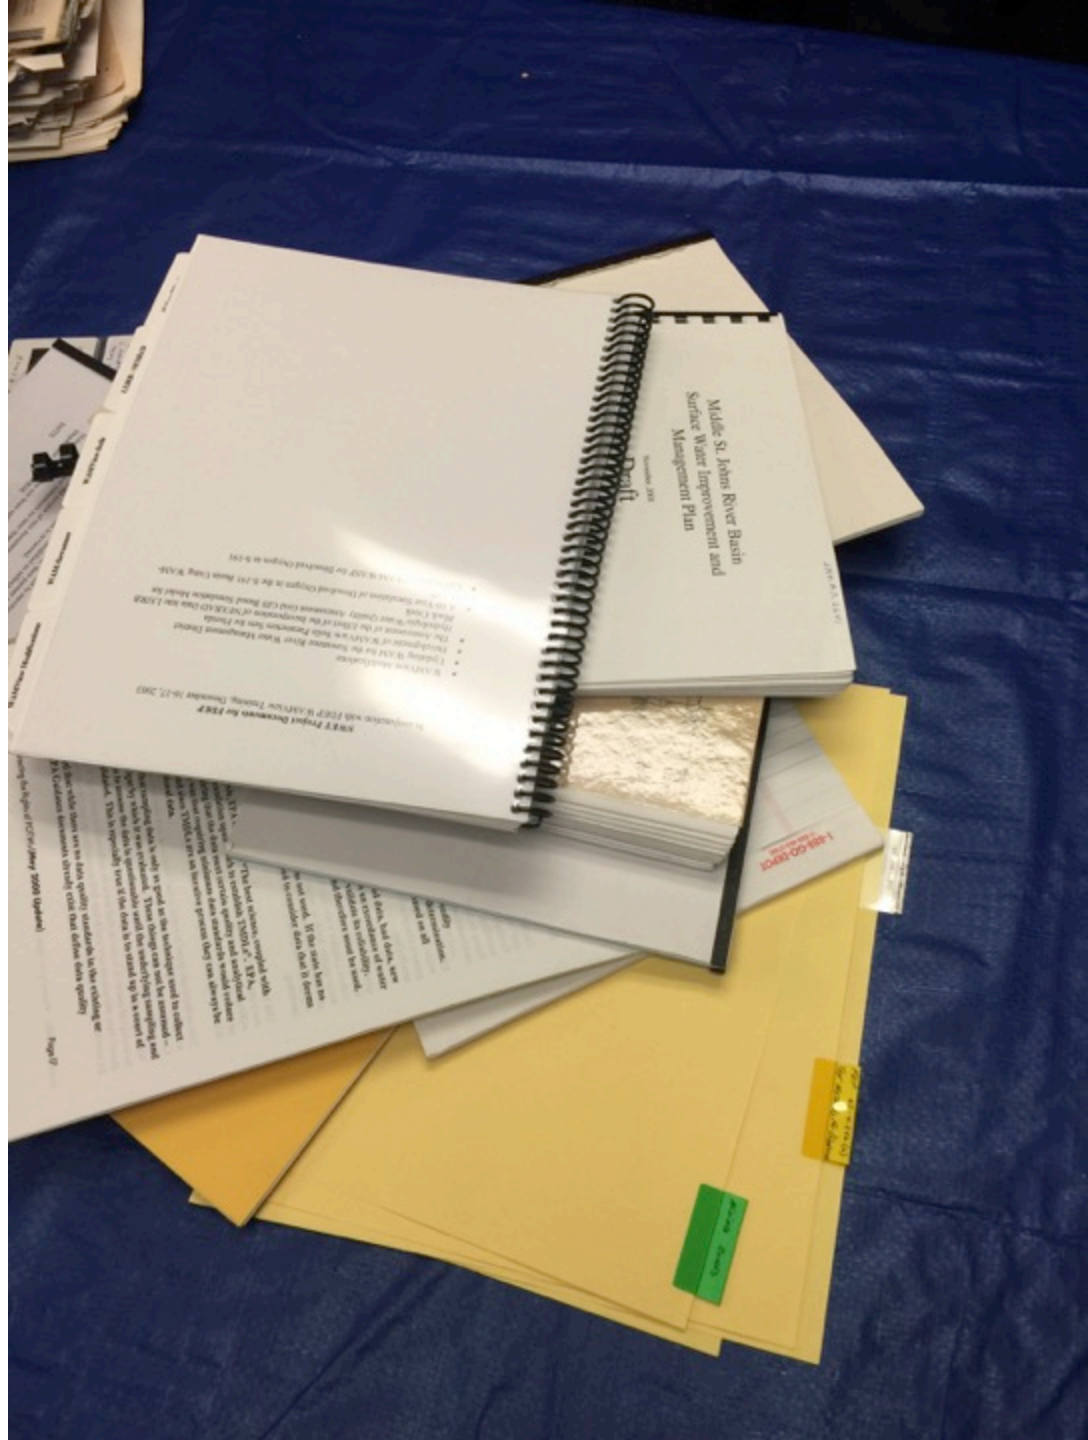

**no
loose
shredded
paper**

Please put all
shredded paper
in bags before
placing them in bin

**no
binding**

Please remove all
binding from
notebooks and
recycle just the
paper

**no
paper
reams**

Please put all
paper reams in
trash - they are not
recyclable.

**no
vinyl
binders**

Please reuse
binders or
dispose in trash
if broken

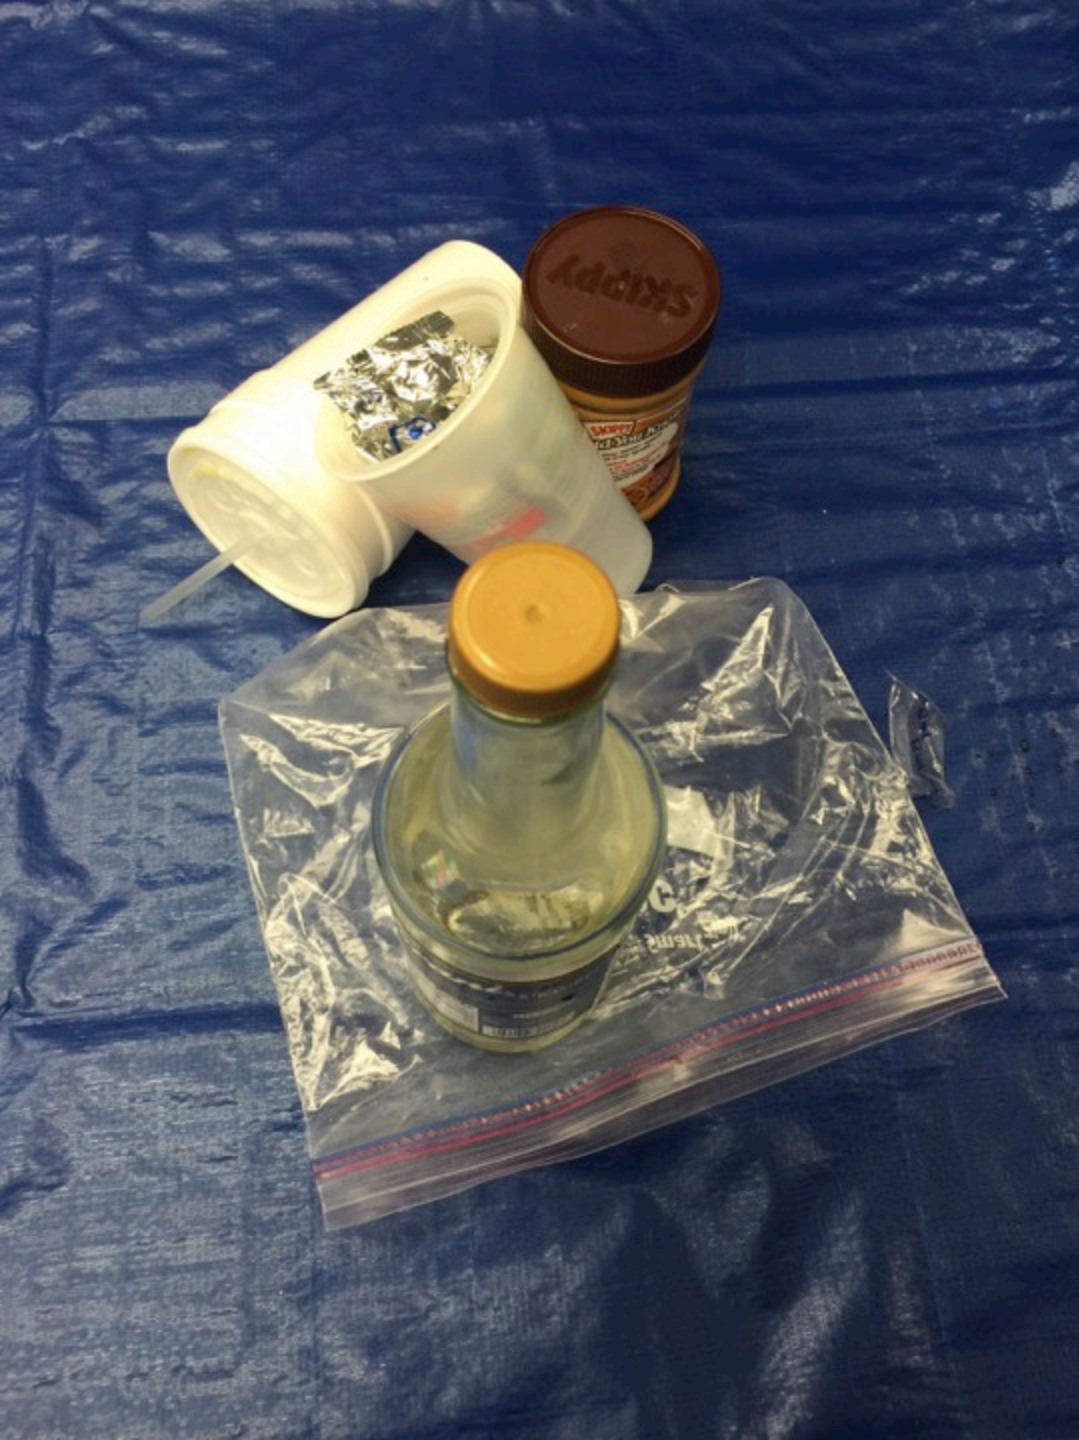

Please empty all liquids from cans and bottles before placing them in the bin
