

Notification and Agreement

It is understood that the state of Florida Department of Environmental Protection (FDEP) and Santa Rosa County have entered into an interagency agreement pursuant to Section 403.707(10), Florida Statutes, that allows an owner/operator to provide a single financial mechanism when demonstrating proof of financial assurance if the financial mechanism provided adequately covers the largest closure cost estimate approved by either the FDEP or Santa Rosa County.

Permittee/applicant has elected to participate in this joint financial assurance program and understands that only the following instruments have been approved for use:

- Performance Bond (PB) with a Standby Trust Fund Agreement (SBTF)
- Trust Fund Agreement (TF)

Permittee/applicant agrees to include a completed signed copy of this notification/agreement as part of any application package to any institution they solicit in the process of obtaining a financial assurance instrument. An institution is not obligated to participate. Only the FDEP may be listed on the instrument as beneficiary. A completed notification/agreement becomes an integral part of the financial assurance instrument submitted.

- A TF or SBTF instrument does not require this form to be signed by a Trustee representative as it will be treated as a supplementing notification not affecting Trustee requirements or actions.
- An authorized representative of other issuing institutions must sign this agreement. It can be an attachment at the time of instrument issuance. If identified as a rider, attach a power of attorney.

For purposes of this financial assurance instrument, the terms “required action,” “permit,” “rule,” “regulation,” “statute,” or related terms, including specific rule references, etc., shall include regulations, orders, and permit conditions established by the local government having jurisdiction over the facility.

Participants in this program agree that the FDEP Solid Waste Financial Coordinator will act in accordance with all applicable federal, state, and county solid waste rules and ordinances when determining actions to take involving the financial assurance mechanism.

Facility Name	FDEP ID number (WACS #)
Permittee/Applicant: _____ Date signed	Instrument: _____ Enter PB, SBTF or TF Enter “Attachment”, “Rider”, “Endorsement” or “Notification”
Name of Owner or Operator (Legal Entity)	Issuing Institution Name (include embossed company seal if PB)
Authorized Signature for Owner or Operator (permittee/applicant)	Instrument Number Original Effective Date
