**Section B: Certification from FDOT and County/City authority**

**SECTION B (1): FDOT DISTRICT OFFICE USE ONLY:**

Complete either part A or B

**Part A**

The \_\_\_\_\_ District Office of the Florida Department of Transportation certifies that State Road Number \_\_\_\_\_, also known as \_\_\_\_\_ **DID** exist on the date of the deed(s), \_\_\_\_\_, in which the reservation was made, and it recommends to the Board of Trustees one of the following:

- Retain **ALL** of the reservation since it is presently a State Road and we will need 100 feet from the centerline of S.R. \_\_\_\_\_ for road improvements.
- Retain \_\_\_\_\_ feet from the centerline of S.R. \_\_\_\_\_, also known as \_\_\_\_\_, since it is presently a State Road.
- That this request is being forwarded to the applicable county or city for their recommendation since former S.R. \_\_\_\_\_ is now under their jurisdiction.
- Retain **NONE** of the reservation as it is not needed for road improvements.

**Part B**

The \_\_\_\_\_ District Office of the Florida Department of Transportation certifies that its records reflect that a state road **DID NOT** exist on the date of the old deed(s) affecting the subject property.
