Section C: Certification of WMD for Release of Canal Reservation

EVERGLADES DRAINAGE DISTRICT DEEDS

Application is not required to the Board of Trustees when requesting the release of a Canal Reservation contained in an Everglades Drainage District Deed if deed(s) state Chapter 6456, 6957, 14717, or 20658 laws of Florida in First Paragraph. Submit requests to the South Florida Water Management District. The Everglades Drainage District will issue Release of Reservation

ALL OTHER DEEDS

All other deeds must submit requests for release of Canal Reservation along with all exhibits pertaining to the Canal Reservation and the completed application directly to the appropriate Water Management District Office. The Water Management district will determine whether the reservation or any part thereof should be release. This application will not be considered without a recommendation from the appropriate Water Management District.

FOR WATER MANAGEMENT DISTRICT USE ONLY

The

Water Management District Office hereby

Objects to the release of any portion of the canal reservation for the following reason:

Objects only to the release of the following portion of the canal reservation:

Has no objection to the release of the entire canal reservation for the following reason:

Certified by:
