<b>TOTAL</b>						<b>\$ 7,435,488.36</b>	

\* Notes:

This awards list is preliminary until the LCAR requirement has been approved and the cost savings percentages for the bundled packages are verified and approved by the Department.

All bundled packages must proceed into a Performance Based Cleanup (PBC) agreement that will include cost and schedule negotiations.

AC agreements will be issued once all the information in each application has been reviewed and approved by the Department.
